

## Saplings Curriculum

Our curriculum is centred on three main areas of learning:

1. Communication and Language
2. Physical Development
3. Personal, Social and Emotional Development

We also provide activities and experiences through four specific areas which strengthen the main areas:

1. Literacy
2. Mathematics
3. Understanding the World
4. Expressive Arts and Design

These areas of learning and development address children's physical, cognitive, linguistic, social and emotional development. No one aspect of development stands in isolation. All areas of learning and development are closely interlinked.
