

# UNIFORM POLICY

---

BRITISH EDUCATION IN SMALL,  
PERSONALISED CLASSES  
FOR CHILDREN AGED 3-16

## **UNIFORM POLICY**

We believe that a school uniform protects children from the pressures of fashion and consumerism at too young an age.

Uniform also supports our core values as a school: that teamwork is essential; and that it is not one's appearance that matters but rather what lies within.

We operate a relaxed uniform policy in terms of the style of a garment.

However, we ask you to respect the navy blue/light blue colour policy.

Jeans, flashing-light trainers, Heelies and non-uniform colours (such as multi-coloured tights) are NOT uniform and create friction between those children who wear them and those who do not. Thank you very much for supporting our work and not sending your children to school in any of these.
