## Can I join a waiting list for places?

- To join the waiting list for admission there is a non-refundable fee of €300. This is discounted from the registration fee should your child subsequently register with the school.
- Joining the waiting list does not guarantee a place, but does ensure you will have first refusal if and when a place comes available in the appropriate year group.
- When places become available they are offered to families on the waiting list and are only secured by payment of the registration fee.

## Individual Tuition

Pupils with special educational needs may require the additional support of individual tuition. For 2023-24, each hour of one-to-one teaching will be invoiced at 30,75 € per hour.
